

## Get Your Medication for FREE with RxSaveCard

[Company Name] and RxSaveCard have teamed up to offer you certain medications for FREE through Mark Cuban Cost Plus Drugs. Enjoy significant savings, home delivery, and a hassle-free experience.

### How to Get Started

---

#### Step 1: See if your medication is available

See if Cost Plus Drugs carries your medication: Visit [costplusdrugs.com/medications/](https://costplusdrugs.com/medications/) and type in the name of your prescription. You can also browse by category.

#### Step 2: Create a Cost Plus Drugs account

If your medication is on the list, navigate to [costplusdrugs.com/create-account/](https://costplusdrugs.com/create-account/) and follow the prompts to create an account. Be sure to take note of which email you use to sign up.

#### Step 3: Talk to your doctor

Give your doctor the information highlighted in the box to the right to send your prescriptions to Cost Plus Drugs. Once your doctor switches your prescription over, you will receive an email from Mark Cuban Cost Plus Drugs telling you that your medication is ready to be ordered.

#### **What Your Doctor Needs:**

1. The **email address** you used to create your Cost Plus Drugs account.
2. The Cost Plus Drugs Pharmacy NCPDP ID: **#3689568**

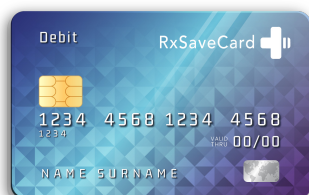

#### Step 4: Activate your RxSaveCard

Watch for an email with instructions to activate your RxSaveCard. Once activated, you'll receive a virtual card that you can add to your phone's wallet. It will contain your card number, expiration date, and security code that will be used for payment. You'll also find your BIN and PCN on your virtual card, which you will need to enter under 'Pharmacy Insurance' at checkout. Your Member ID is the last 8 digits of your card number.

#### Step 5: Place your order online

Go to [costplusdrugs.com](https://costplusdrugs.com), add your medications to your cart, and proceed to checkout. Click 'Add Pharmacy Insurance' and enter your RxSaveCard's BIN and PCN during checkout, along with your Member ID (the last 8 digits of your card number). You'll also enter your RxSaveCard information just like any other debit card/payment method. [Company Name] covers the cost, so you pay nothing! Your medications will be delivered to your door.

### Have Questions?

We're here to support you every step of the way. If you have any questions, contact RxSaveCard using the information provided.

## Frequently Asked Questions - Mark Cuban Cost Plus Drugs

---

### **Q: What is RxSaveCard and what is Mark Cuban Cost Plus Drug Company?**

**A:** RxSaveCard allows employees to access lower prescription prices on certain generic medications, including prices that may not be available through their health insurance plan. Mark Cuban Cost Plus Drug Company is an online pharmacy that offers these lower prices.

### **Q: How does the RxSaveCard help me save money on my eligible prescription?**

**A:** Your employer has partnered with RxSaveCard to cover the cost of your eligible medication at Mark Cuban Cost Plus Drug Company. This means you won't have to pay anything out-of-pocket when you fill your prescription at Cost Plus Drugs using your RxSaveCard!

### **Q: How does the RxSaveCard work with my insurance when ordering through Cost Plus Drugs?**

**A:** The RxSaveCard complements your existing insurance plan by giving you access to lower-cost options that may not be available through your health insurance.

### **Q: Can I use the RxSaveCard for any medication at Cost Plus Drugs?**

**A:** The RxSaveCard can be used for any eligible medication available at Cost Plus Drugs. Visit their website ([costplusdrugs.com/medications/](http://costplusdrugs.com/medications/)) to see if your medication is offered.

### **Q: What information do I need to enter at Cost Plus Drugs to ensure my medication is free?**

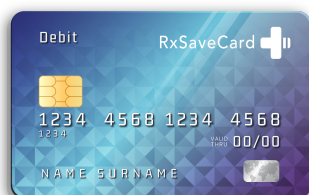

**A:** To use your RxSaveCard benefit and get your medication for free, enter your RxSaveCard's BIN, PCN, and Member ID under "Add Pharmacy Insurance" at checkout, and be sure to use it as your payment method. The Member ID is the last 8 digits of your card number.

### **Q: What if my eligible prescription medication is for one of my dependents covered under my plan?**

**A:** Only the person receiving the medication needs a separate account on the Cost Plus Drugs website. The payment information, BIN, PCN, and Member ID will remain the same for all covered family members.

### **Q: Why am I entering my RxSaveCard information instead of my regular insurance at checkout?**

**A:** The RxSaveCard allows you to tap into discounts that are not included under your current health insurance plan. These discounts are only accessible by using the RxSaveCard, so you will insert the BIN, PCN and Member ID on your virtual card instead of your typical insurance information at checkout.
